

DRAIN FOAM SERVICE

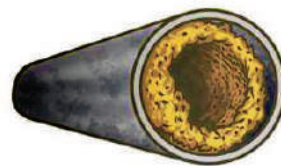

KITCHENS • BARS • RESTROOMS

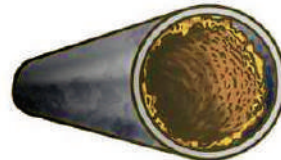

- Prevents Drain Problems
- Eradicates Fruit Fly Breeding grounds
- Controls Sugar Snakes
- Prevents Clogs & Backups
- Eliminates Odors
- Reduces Emergency Calls

The live ProBiotics in DrainFoam immediately multiply and start eating the grime that cause drain problems.

Within a few weeks, DrainFoam begins to clear the pipe and targets new pockets of organic material.

After a month, DrainFoam treatments keep drains clean, maintenance free and smelling fresh.
